

# Role Description

## Instrumentalist

### INSTRUMENTALIST ROLE DESCRIPTION

The Instrumentalist encourages our church to become a more worshipping congregation by contributing instrumental excellence to the Worship Band with the aim that love is expressed up to God in worship and that worship sets are upward focused with pure praise.

### RESPONSIBILITIES

#### Exhibit Technical Proficiency in Playing the Assigned Instrument

- Must be proficient in the Nashville Number System
- Demonstrated ability to transcribe and transpose original musical parts for each assigned song
- Ability to maintain musical excellence, while following the Worship Leader and Band Director, during moments of spontaneous worship
- Capacity to work with the band to produce a consistent brand of music and worship with consistency of vibe, song selection, quality, sound and mix

#### Drive for Ministry Excellence and Improvement

- Evaluate Worship sets on a regular basis for celebration and improvement (flow, transitions, mix, participation, etc.)

### RESULTS

Attendees Led in High Quality, Catalytic Worship Services that Elevate God

Growth as a Worshipping Congregation that Worships God with All, in All the Ways He Commands
